

# God's Story

The book of Romans tells us about the problem of sin and the way to approach God. Here is a simple way to understand and explain the solution Jesus gives. Believing the message of Jesus and turning from our sins to follow Him brings salvation and relationship with God through Jesus.

You can use these two simple drawings and four verses listed from Romans to share the good news of salvation with anyone. Start with your family and share with all your friends and neighbors.

# Bible Study Method

Hebrews 4:12 says, "For the Word of God is living and active. Sharper than any double edged sword, it penetrates even to dividing soul and spirit, joints and marrow; it judges the thoughts and attitudes of the heart."

This picture of a sword helps us to teach any passage of the Bible. When we think of a sword we think of four questions we need to ask.

The arrow that points up is for God.

## **What do we learn about God?**

The arrow that points down is for man.

## **What do we learn about man?**

The sword also has two blades. The first blade makes us ask,

## **Is there a Sin to avoid?**

The second blade makes us ask,

## **Is there a Command to obey?**

After reading or telling any story from the Bible, ask these four questions one at a time and search the story for answers. The answers you find will reveal the meaning of the story for our lives.

# My Story

1 Peter 3:15 says, "Always be prepared to give an answer to everyone who asks you to give the reason for the hope that you have."

Obedying Peter's instruction means being ready to share our story of salvation at all times. Everyone who knows Jesus as savior has three parts to their story. Your story is also known as your testimony.

We should practice our testimony using these three parts so that we can share it at any time with anyone. Practice telling each part using simple words our neighbors will understand. We should be able to tell each part clearly and quickly. The entire story should last about three minutes. Take time to practice with other believers to help them learn and tell their own stories as well.

**On a piece of paper list the names of at least 25 people who need to hear your story of salvation. Search for the people you listed and be ready to tell them your story.**
